

Saz Lockyer, Meeky Randall, Alicia Battersby, Chloe Hart and Courtney Keymer are looking forward to their CD launch this afternoon at Open Access.

Youth use music as expression

ALBANY'S youth have been practising hard and now their big day has come — the launch of their first CD.

The Young House Open Access music project's CD launch takes place this afternoon from 4.30pm at Open House.

Members of the community are encouraged to come along, listen to some live music and grab a copy of the CD *Out of Our Shell*.

The Act Belong Commit Music Project has been providing marginalised youth in Albany with a chance to express themselves through the language of music.
