

WA Festival of Health, Healing and Harmony

The Healing, Health and Harmony Festival Committee members partook of a very pleasant pre meeting get together at Cinos on November 14. The meeting itself was at the Community Centre at 7.00pm where we discussed the positives and negatives of this years festival. Many points were aired and taken note of for next year. Yes, we have decided to go again in 2007 (Sunday September 23). Planning is already underway with our next meeting scheduled for Tuesday January 9, 5.00pm at the Community Centre. We take this opportunity to thank the Toodyay & Districts Financial Services (Bendigo Bank) and Act Belong Commit Mentally Healthy for the wonderful support.
